

Market|Place Business Directory Guidelines

What is the MARKET|PLACE?

An online directory where businesses (owned by Mount Zion members) **market** their products and services, and the **place** where consumers go to meet their needs.*

What is the purpose?

The purpose of this directory is not to promote any business over another, but to provide a marketplace where a connection can be made between people and products/services. We are providing this directory so our congregants can be made aware of the businesses represented right here in our own church body.

It is our prayer that the use of this directory will bring even greater community amongst members and cause businesses represented in our body to flourish.

What is the criteria?

Please complete the form below if you desire to have your business included in the online directory. **Only business owners who are also members of Mount Zion will be listed** (Membership is based on the records of our Membership Specialist.)

What is the cost?

The cost is \$30 – first listing, \$10 each additional listing for a one-year subscription. NOTE: Subscribers will be required to pay at the time subscription form is submitted. In the case, where the business owner is not a member, he or she will be notified and directory payment will be returned.

How do I submit printed subscription form?

Complete and deliver payment to my attention either in person or by mail (address below). Checks should be made payable to Mount Zion Baptist Church. Note in the memo section that payment is for Market|Place Directory.
