FOR PARENTS ... WHAT IS SCOUTING?

Scouting is fun with a purpose. Youth build physical fitness, character, and good citizenship—all while having a great time with family and friends. Most importantly, Scouting encourages them to do their best—a lesson that will help them achieve success throughout their lives.

You will be a member of a pack.

Scouting is an age-appropriate program. Depending on your child's age, he will be a member of a pack. As Cub Scouts advance through the program, they are recognized for their achievements.

A leader (usually a parent) is in charge of the activities, which include games, crafts, songs, ceremonies, field trips, and tons of fun!

SCOUTING TEACHES HOW TO BE:

- TRUSTWORTHY
- LOYAL
- HELPFUL
- FRIENDLY
